DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The communication, filed on 3/9/05, is non-responsive, because the amendment was not received by the Patent Office in a clean and clear fashion. It appears that there were some facsimile problems when transmitting the Applicant's response to the Patent Office. Consequently, the claim set contains missing streaked sections on the Applicant's response. For example, the second to last line of claim 1 currently reads "o a substrate of an" and claim 3 fails to end in a period. It is unclear if these discrepancies are due to facsimile problems or to grammatical errors. The Examiner has called and requested a new faxed copy of the Applicant's response, filed 3/9/05, but has not received a copy. Therefore, this notice is being sent out to formally request a clean copy of the Amendments to the Claims and Remarks, originally filed 3/9/05, so that the record may remain clear and examination may proceed.

Since the response appears to be bona fide, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a) OR (b) UP TO A MAXIMUM OF SIX MONTHS.

Papers related to this application may be submitted to Technical Center 1600 by facsimile transmission. Papers should be faxed to Technical Center 1600 via the PTO Fax Center. The faxing of such papers must conform with the notices published in the Official Gazette, 1096 OG 30 (November 15, 1989). The Fax Center number is (571) 273-8300. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Carolyn Smith, whose telephone number is (571) 272-0721. The examiner can normally be reached Monday through Thursday from 8 A.M. to 6:30 P.M.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ardin Marschel, can be reached on (571) 272-0718. Any inquiry of a general nature or relating to the status of this application should be directed to Legal Instruments Examiner Tina Plunkett whose telephone number is (571) 272-0549.
